

## CURRICULUM VITAE

### Summer L. Ibarra, Ph.D., ABPP-RP, HSPP

#### Work Contact Information:

Neuropsychology Associates  
 10293 N. Meridian St., Suite 210  
 Carmel, IN 46290  
 Phone: 317-581-2292  
 Fax: 317-581-2282  
 Email: summeribarraphd@gmail.com

#### **LICENSE / CERTIFICATION**

- 11/13 – Current **Licensed Psychologist in Indiana** (#20042730A); Health Service Provider
- 10/18 – Current **Board Certified Rehabilitation Psychologist** – American Board of Professional Psychology

#### **EDUCATION**

- 8/13 – 9/15 **Fellowship in Clinical Neuropsychology**, (September, 2015)  
 Rehabilitation Hospital of Indiana, Indianapolis, IN  
 Supervisors: Brad Hufford, Ph.D., ABPP-CN, HSPP  
 Samantha Backhaus, Ph.D., HSPP  
 Lance Trexler, Ph.D., HSPP
- 8/08 – 7/13 **Doctor of Philosophy**, Counseling Psychology (July, 2013)  
 Ball State University, Muncie, IN  
 Cognate: Health Psychology
- 7/12 – 6/13 **Psychology Intern**, University of Oklahoma Health Science Center Consortium, Oklahoma City, OK (APA-accredited)
- 5/04-7/06 **Masters of Arts**, Counseling (July, 2006)  
 Concentration: Rehabilitation Counseling  
 Ball State University, Muncie, IN
- 8/99-8/01 **Bachelor of Arts**, Psychology (August, 2001)  
 University of Toledo, Toledo, OH
- 8/97 - 5/99 Undergraduate Psychology Student  
 Indiana University Purdue University Indianapolis, Indianapolis, IN

## **CURRENT / RECENT PROFESSIONAL EXPERIENCE**

### **1/21 – Current Clinical Neuropsychologist, Neuropsychology Associates**

- Provide outpatient comprehensive neuropsychological evaluations for individuals with neurologic and cognitive concerns

### **11/19 – 12/20 Clinical Neuropsychologist (Staff), Franciscan Health Hospital Indianapolis**

- Participated in an outpatient rehabilitation program doing diagnostic neuropsychological evaluations and facilitated clinical care for patients and families
- Provided outpatient comprehensive neuropsychological evaluations for individuals with neurologic and cognitive concerns
- Provided clinical supervision to doctoral and master's level psychology practicum students

### **9/19 – 12/20 Clinical Neuropsychologist (Independent Contractor), Neurobehavioral Consultants**

- Provided outpatient comprehensive neuropsychological evaluations for individuals with neurologic and cognitive concerns

### **1/18 – 10/19 Clinical Director, Clinical Neuropsychologist; Departments of Neuropsychology and Resource Facilitation, Rehabilitation Hospital of Indiana**

- Provided clinical leadership to a team of neuropsychologists, psychometrists, and Resource Facilitation staff
- Participated in an outpatient brain injury community reintegration and neurorehabilitation program conducting diagnostic neuropsychological and neurovocational evaluations, facilitating clinical care for patients and families, and performing individual and group psychotherapies
- Liason with the Departments' Executive Administrative Director to assist in management of fiscal and other administrative matters
- Provided clinical supervision to the team as well as clinical supervision to doctoral and master's level psychology practicum students
- Participated in research and grant-funded activities studying effects of coping skills interventions and Resource Facilitation Services for patients and families following brain injury
- Provided brain injury education to vocational rehabilitation counselors and other community providers at state-wide seminars and conferences

### **9/15 – 1/18 Clinical Neuropsychologist; Associate Director of Department of Resource Facilitation, Rehabilitation Hospital of Indiana**

- Participated in an outpatient brain injury community reintegration and neurorehabilitation program doing diagnostic neuropsychological evaluations, facilitating clinical care for patients and families, and conducting individual and group psychotherapies
- Provided clinical supervision and administrative leadership to the Resource Facilitation team as well as clinical supervision to doctoral and master's level psychology practicum

students

- Participated in research and grant-funded activities studying effects of coping skills interventions and Resource Facilitation Services for patients and families following brain injury
- Provided brain injury education to vocational rehabilitation counselors and other community providers at state-wide seminars and conferences

### **8/13 – 9/15 Clinical Neuropsychology Postdoctoral Fellow; Rehabilitation Hospital of Indiana**

- Participated in an outpatient brain injury community reintegration and neurorehabilitation program doing diagnostic neuropsychological evaluations, facilitating clinical care for patients and families, and doing individual and group psychotherapies
- Participated in weekly supervision with fellowship supervisors, case presentation seminars, and other didactic activities
- Provided clinical supervision and administrative leadership to the Resource Facilitation team
- Participated in research and grant-funded activities studying effects of coping skills interventions and Resource Facilitation Services for patients and families following brain injury

### **PROFESSIONAL APPOINTMENTS / AFFILIATIONS**

American Congress of Rehabilitation Medicine [ACRM] (primary affiliation - Brain Injury Interdisciplinary Special Interest Group [BI-ISIG])

- ACRM Chronic Brain Injury Task Force (Co-chair and member)
- ACRM Communications and Prognosis Task Force member
- ACRM Cognitive Rehabilitation Task Force member
- ACRM Alzheimer's Disease Task Force

American Psychological Association (APA)

- APA Division 22 – Rehabilitation Psychology
- Society for Clinical Neuropsychology

Indiana Psychological Association (IPA)

### **PROFESSIONAL AWARDS**

#### **Brain Injury Interdisciplinary Special Interest Group Project Funding Awards**

“Defining Resource Facilitation (RF) Practice”

Awarded to ACRM Chronic Brain Injury Task Force

Lead Member: Summer Ibarra

September 2017

**Best Clinical Scientific Presentation and Treatment Developed by a Clinician Early in the Career; American Society for Neurorehabilitation and American**

### **Congress of Rehabilitation Medicine**

Brain Injury Coping Skills Group: An Intervention Aimed at Preventing Emotional Distress and Improving Self-Efficacy in Individuals with Brain Injury and their Caregivers  
Denver, CO, October 2009

### **Second Place Poster Award for Scientific Research and Treatment Interventions for Neurorehabilitation; American Congress of Rehabilitation Medicine**

The Relationship Between Coping Styles, Problem-Solving, and Emotional Functioning in Individuals with Brain Injuries and their Caregivers  
Toronto, Canada, October 2008

### **RESEARCH EXPERIENCE**

- 8/05 - 6/12 **Neuropsychology Research Associate**, Rehabilitation Hospital of Indiana, Indianapolis, IN
- Co- investigator in a national and international multi-centered collaboration examining the efficacy of a brain injury coping skills group for survivors of brain injury and their caregivers
  - Co-investigator in a grant-funded study on evaluating an assessment measuring perceived self-efficacy among survivors of brain injury and their caregivers
  - Presented at several local, national, and international conferences
  - Co-authored a refereed publication and several manuscripts currently in preparation
  - Co-authored a manual for the Brain Injury Coping Skills (BICS) Group, currently in press.
  - Authored two entries in *Encyclopedia of Clinical Neuropsychology (2011)*
  - Development and evaluation of an acute inpatient rehabilitation educational program for family members of survivors with brain injury
- 8/08 – 6/12 **Rehabilitation Psychology Research Team Member**, Ball State University, Muncie, IN
- Co-authored a refereed publication on psychosocial adaptation to chronic illness and disability
  - Participated in the development of an instrument measuring character strengths in a population with disabilities
- 8/08 – 6/12 **Health Psychology Research Team Member**, Ball State University, Muncie, IN
- Participated in systematic reviews of cancer literature along with providing feedback to upper level doctoral students in regards to dissertation ideas/proposals.
- 11/05 **Research Assistant**, Ball State University, Muncie, IN

- Assisted doctoral student with transcription of audio tapes for use in her research-based dissertation
- 5/00 – 8/00    **Research Assistant**, Department of Psychology, University of Toledo, Toledo, OH
- Assisted Dr. Joni Mihura, Ph.D. with transcription of audio tapes for purposes of studying psychodynamic therapeutic techniques in persons with eating disorders
- 2/99 – 5/99    **Research Assistant**, Department of Computer Sciences, Indiana University Purdue University Indianapolis, Indianapolis, IN
- Assisted Dr. Andrew Olson, PhD. with literature review and statistical analysis in a study of learned creativity

- Ibarra, S. (2005, December). *Suicidality Among Individuals with Traumatic Brain Injury*. Poster presented at Indiana Psychological Association Annual Conference, Indianapolis, IN.

### **PRE-DOCTORAL CLINICAL EXPERIENCE**

- 7/12 – 6/13 **Psychology Intern, University of Oklahoma Health Science Center Consortium, Oklahoma City, OK**
- Conducted full neuropsychological evaluations for inpatients and outpatients in a VA Medical Center and University of Oklahoma Medical Center
  - Conducted behavioral sleep medicine evaluations and individual intervention in a pediatric population
  - Provided individual and group psychotherapy to adult veterans
  - Director of Training: Russell Adams, Ph.D., ABPP-CN
- 8/09 – 6/12 **Neuropsychology Practicum Student, Rehabilitation Hospital of Indiana, Indianapolis, IN**
- Administered and scored neuropsychological assessment batteries to outpatients with brain injuries; including but not limited to COWAT, BNT, JOLO, WCST, STROOP, CVLT-II, ECFT, CPT, TRAILS, TOMM, WMT, WTAR, WRAT, WAIS-III, WMS-IV, PAI, MCMI-II, MMPI-2, motor and sensory exams
  - Co-facilitated a comprehensive stress management and brain injury coping skills group for survivors of brain injury and their families and caregivers
  - Supervisor: Samantha Backhaus, Ph.D., HSPP
- 1/11 – 4/12 **Psychology Practicum Student, Richard L. Roudebush VA Medical Center, Indianapolis, IN**
- Conducted clinical interviews for neuropsychological testing, interpreted neuropsychological test data, wrote integrated reports, and provided feedback to clients
  - Provided individual and couple's counseling utilizing evidence-based practices
  - Co-developed a group treatment for clients and families affected by mild traumatic brain injury and co-occurring PTSD with plans to co-

facilitate

•Supervisors: Heidi Knock, Psy., HSPP; Kriscinda Whitney, Ph.D., HSPP

7/09 – 7/10

**Psychology Practicum Student, Cancer Center at Indiana University Health Ball Memorial Hospital, Muncie, IN**

- Conducted brief screening interviews assessing for presence of psychological distress in outpatients and their families
- Provided mental health counseling for adults experiencing cancer-related distress
- Supervisor: Donald Nicholas, Ph.D., HSPP

8/08 – 7/11

**Counselor, Doctoral Level Trainee- Practicum Clinic, Ball State University, Muncie, IN**

- Provided individual, couple, and family counseling for adults from the local community
- Conducted intake assessments
- Supervisors: Theresa Kruczek, Ph.D., HSPP, Sharon Bowman, Ph.D., HSPP, LMHC, and Molly Tschopp, Ph.D., CRC

8/08 - 5/09

**Clinic Staff Member, Practicum Clinic, Ball State University, Muncie, IN**

- Conducted individual, couple, and family intakes and completed phone screenings of potential clients
- Attended weekly staffing meetings and assisted in administrative, client related duties.
- Supervisor: Theresa Kruczek, Ph.D., HSPP

8/05 - 7/06

**Neuropsychology Practicum Student, Rehabilitation Hospital of Indiana, Indianapolis, IN**

- Conducted neuropsychological consults for inpatients
- Administered neuropsychological test batteries for inpatients and outpatients
- Provided mental health counseling for inpatients and outpatients with both psychological disturbances and cognitive disabilities as a result of brain injury
- Co-developed and co-facilitated a comprehensive stress management and brain injury coping skills group for survivors of brain injury and their families and caregivers
- Served on a research committee and participated in the development of several research projects
- Supervisors: Samantha Backhaus, Ph.D., HSPP

5/06-7/06

**Counselor, Master's Level Trainee, Indiana University Cancer Center, Indianapolis, IN**

- Conducted individual intake evaluations and assessment for inpatients and outpatients

- Provided individual mental health counseling for inpatients and families
- Developed a psychoeducational display for patients, families and staff
- Participated in weekly Hematology/Oncology lectures
- Supervisor: Shelley Johns, Psy.D., HSPP

5/05-7/05 **Counselor, Master's Level Trainee, Practicum Clinic, Ball State University, Muncie, IN**

- Provided individual counseling for adults from local community
- Supervisor: Donald Nicholas, Ph.D, HSPP

6/05-7/05 **Counselor, Master's Level Trainee, Trustee's Office, Muncie, IN**

- Co-facilitated "Managing Chronic Illness", a psychoeducational group for adults with chronic medical conditions
- Supervisor: Molly Tschopp, Ph.D., CRC

1/05-5/05 **Rehabilitation Counselor, Master's Level Trainee, Office of Vocational Rehabilitation Services, Muncie, IN**

- Conducted intake interviews for the purpose of determining eligibility for state vocational rehabilitation services
- Reviewed medical and psychological evaluations to assist in the development of an Individual Plan of Employment
- Developed Individual Plans of Employment for eligible clients
- Conducted progress reviews and follow-up appointments
- Participated in multidisciplinary teamwork
- Supervisor: Molly Tschopp, Ph.D., CRC

1/05-5/05 **Counselor, Master's Level Trainee, Ashgrove Crossing and Delaware County Senior Center, Muncie, IN**

- Provided outreach psychoeducation pertaining to the 7 dimensions of the Wellness Model
- Facilitated and co-facilitated psychoeducational groups for older adults
- Supervisor: Michiko Iwasaki, M.A., Doctoral Supervisor

### **OTHER PROFESSIONAL EXPERIENCE**

8/03-12/04 **Psychological Testing Technician, O'Brien Psychological Services, Indianapolis, IN**

- Administered WAIS-III, WISC-III, WISC- IV, WMS, WRAT-4, and WIAT
- Supervisor: Michael O'Brien, Psy.D., HSPP

7/01- 6/03 **Mental Health Technician, Inpatient Psychiatry Unit, Toledo Hospital  
Toledo, OH**

- Provided individual support with psychiatric inpatients

- Provided illness education for patients
- Facilitated psychoeducational and goal-oriented groups
- Provided crisis prevention and intervention
- Supervisor: Jean Smith, R.N., Clinical Manager

8/01 - 1/02     **Residential Care Specialist, River Centre Clinic, Sylvania, OH**

- Assisted patients with eating disorders in meal planning and preparation
- Provided support and supervision for patients during meals
- Supervised adolescent residential patients during the evening and over night
- Supervisor: David M. Garner, Ph.D., Administrative Director

### **TEACHING EXPERIENCE**

1/09 – 5/09     **Instructor, Counseling Psychology (undergraduate level)**  
**Ball State University, Muncie, IN.**  
 Interrelational Aspects of Sexuality

### **SUPERVISION EXPERIENCE**

5/14 – current     **Licensed Supervisor**, Post-doctoral trainee and Doctoral Level Practicum

1/11 – 5/11     **Doctoral Supervisor**, Rehabilitation Master's Level Practicum  
 (5 supervisees)

5/09–7/09     **Doctoral Supervisor**, Community Mental Health Master's Level Practicum,  
 Psychoeducational Group  
 (4 supervisees)

1/09 - 5/09     **Doctoral Supervisor**, Rehabilitation Master's Level Practicum  
 (1 supervisee)

### **OTHER SCHOLARLY/VOLUNTEER ACTIVITIES**

1/10– 12/10     **Student Representative**  
*APA Division 17 Special Interest Group in Counseling Health Psychology*

9/08-10/08     **Outreach Development, Women's Health Fair**  
*Practicum Clinic, BallStateUniversity, presented at Muncie Mall*

10/06 - 10/07     **Poster Presentation Chair, Education Conference Committee**

*Brain Injury Association of Indiana*
